

# INTRODUCING

# Virtual Rabbids

## THE BIG RIDE

## Virtual Rabbids: The Big Ride

Say hello to the industry's first attendant-free VR attraction, developed from the ground up by LAI Games to operate like any other coin-op amusement game. Virtual Rabbids: The Big Ride was created in partnership with Ubisoft, featuring the wild and wacky Rabbids. Players can choose from three unique experiences, full of twists, turns, thrills and spills, for an all-ages VR attraction that lives up to the hype! Offering true 360° views with action in every direction, riders are immersed in a unique experience every time.

- Attendant free, making quality VR available for every entertainment venue
- Premium components (HTC Vive headsets & D-BOX Motion Platform)
- Each seat is monetized for maximum revenue potential
- Global license of Virtual Rabbids: The Big Ride. The popular Rabbids franchise has had over 14 million videogames sold, 230 TV episodes and more than 152M views on Youtube
- All ages ergonomics & unique audience-facing cabinet showcases players' reactions
- Ships with 3 unique premium experiences

# Attraction & Cabinet Features

Virtual Rabbids: The Big Ride boasts a number of unique features not only in its cabinet design, but also in the the experience itself! The unique audience-facing cabinet is a game changer right out of the gate, keeping guests amused by being able to see the genuinely entertaining experiences of the players! That's just the beginning; Dual pay-to-play seats, self-service mask dispenser and state-of-the-art hardware, plus much more!

## 3 High Quality Adventures At Launch

Catapult through the air and deep canyons in a flying contraption in Canyon Chaos. Enjoy a chaotic journey through a frozen wonderland in Alpine Adventure, and navigate your own sleigh in the North Pole avoiding evil Rabbids in Holiday Hijinks. With fun and incredibly unique details in every direction, guests are sure to see something new each time they try an adventure!
